

# EXTRAVAGANZA 2021

June 7-12, 2021

STERLING  
Gym

Wow, another season is about to end! This year's Extravaganza Finale is scheduled according to your class, during the week of June 7-12, with designated days & times to arrive for Jungle Gym, Amazing Acrobats and Ninja Challenge athletes. Sterling Gym's Extravaganza, which is a **FREE EVENT**, gives all athletes a great opportunity to show their families all the skills they have learned through the year. After rotating through the circuits set up in the gym, all athletes will receive a well-deserved medal from their coach to commemorate their successful season here at Sterling Gym. To top it all off, athletes will get a pre-packaged ice cream treat!

*\*Please note this event will be held in our various activity areas. We appreciate your patience and cooperation in helping us maintain a safe environment for all athletes and guests at all times. Please see below for schedule.*

Be your own photographer! Bring a camera and take your own pictures of your little one doing their favorite skills and poses up close, or get a great shot with your child's favorite instructor!
